# IMPORTANT NOTES

## ADDITIONAL SUPPORT

Please follow-up with our school counselor Mr. Geddes or Nick Adams the Family Support Worker at (206) 252-7700, if you need support with some school supplies.

## MAINTAINING SUPPLIES

These supplies will need to be maintained throughout the year and replaced as needed. Students need to bring these materials to class each day. Students should not expect teachers to supply the items on this list (e.g. scissors and glue stick), and will frequently need them to complete class work.

## SCHOOL STORE

The school store stocks a wide variety of supplies, and is open weekly throughout the school year so students can purchase school supplies.

## STUDENT PLANNERS

Students will receive planners from their homeroom teacher at the beginning of school and the planner must be brought to class each day, as well. This important organizational tool is used to record assignments and transmit important notes between teachers and families. If the planner is lost, a replacement must be purchased for \$10 from the school office while extra stock are available.

## PERMANENT MARKERS (Sharpies) ARE NOT ALLOWED

## DONATED ITEMS

Donations of any of these supplies are greatly appreciated and can be dropped off in the Main Office. Please request a receipt for your record of your tax-deductable donation. Thank you.
